HELP US MINISTER TO YOU!

If you or anyone you know is ill or going into the hospital, please call the Church office and let us know: 732-458-2080.

Our Communion offering will go to CRU.

Here is some new information on Matt and Erin Kay's ministry
Erin and I are part of a partnership between Cru and Hope East Village, a new church where I am currently serving on staff as Pastor of Evangelism and Discipleship. My main role on the pastoral team is to provide direction, personal mentoring, and leadership development for those who serve in our worship and home group ministries. In short, to encourage, equip, and serve those who will encourage, equip and serve others.

Our work with Cru Millennials is a ministry to what has been called the "most unchurched" generation in America. Our ministry with that team is to create spaces for young working professionals to connect with one another and where they can come into meaningful relationships with those who know and follow Jesus, so that they too might know and follow Him.

Help Wanted

The Mustard Seed Preschool will be running a summer program for preschoolers. The programs will each be a week long and cost families \$20.00. This is a great way for us to introduce our new preschool as we prepare to open in the fall.

I need at least one adult volunteer each week to assist me with the children. I would also like two youth volunteers to help each week. You will not need to teach or plan any lessons, unless you would like to do so.

The program will run the weeks of August 6th, August 13th and August 20th. We will meet Monday through Friday, from 9:00 am. until 11:30 am.

If you could help one or more weeks please give me a call.

I am also looking for a preschool teacher for the three year old class. If you know of someone who would be interested please give me a call.

CHURCH VAN

Our church van is a 2000 Ford Van which is not in very good condition. After losing its brakes in February it was put in for repair but since that time no one has been using it due to its condition. So the Trustees believe that it is time to replace it.

We would like to raise about \$ 20,000 to purchase a later model used van so that the Mission Team can take it to Maryland in July and so that the DVBS can use it to pick up some of the children who want to attend the DVBS. The new van would also be ideal for the Youth Groups for their retreats and events, so we believe that it is an integral part of St. Paul's.

A group of business people have offered to provide up to \$ 10,000 in matching funds to help raise the funds for a new vehicle. Please prayerfully consider a contribution to this fund so that we can quickly find a replacement van and send the Missions team off in a nice new van.
