UMW Circle Meetings for February 2019

All ladies are welcome! If you've ever wondered what goes on at our monthly UMW circle get-togethers, just ask us! Better yet, try one. You might just get hooked! We study God's word. We share. We laugh. We learn about each other. We love the Lord together. And we do all this by meeting up just once a month.

Our hope is that one of these meeting dates will fit into your busy schedule. Why not give it a try? What have you got to lose? More importantly, what have you got to gain? Well, we think you'll gain a lot trying one of these:

Looking for a signer

It has been many years since St. Paul's has offered a signing ministry for the deaf. It has come up in Council On Ministries before and I believe it's time to pursue this ministry in earnest. This process will be multifaceted and will take some time to build up.

Briefly, the concept would be to:

- Have a person to sign at one service every week. Which service to be determined but it would be the same service every week.
- Enlist many people so that Sundays could be rotated rather than one person doing every week
- Develop an ongoing ministry for the deaf that would include small group studies, ASL training and outreach to our community when signing services may be needed.

The first step is to reach out to you, our congregation for some information. Please email me at billbeaver101@gmail.com with your replies to the following questions.

1. Are you currently trained in American Sign Language or ASL?
2. Do you know anyone who is trained in ASL who would be interested in participating
3. Would you be interested in being trained in ASL?

Please be in prayer for this ministry and consider participating by personal participation or reaching out to someone you know with these skills.

Thank you,
Bill Beaver

The Mustard Seed Preschool News

Our Bible verse for January was God created the heavens and the earth. The stories for this month were about God's creation, winter animals, Jack Frost and Snowmen Who Play at Night. The children have been working on the letter W and the letter I. For the threes we are working on letter recognition, while the fours practice writing the letter and learning the sounds the letter makes.

Math is a part of our school day, too. We play games that teach recognition, counting and sorting. The children are very curious and like science. In January we did some winter science. We measured water and then we froze it to see the difference. We tried some kitchen ingredients to melt ice. Don't try to melt ice with brown sugar. It is messy! We went for walks to see what we could see like footprints of winter animals. In January we welcomed a new friend to our school. His name is Chase and he is 3 years old.

I am looking forward to February and all the fun things we will do. Mrs. Propert is coming one day to help us learn about our Native American friends and of course there will be a party for Valentine's Day.

Our preschool is having an Open House on February 13th from 1:30 to 7:30. If you know of a family with a preschooler please be sure to tell them about our Open House.

Affected by the Shutdown?

We are here to help. Just ask.

If you know of anyone that would benefit from our food pantry, just let us know.

A confidential pick up or delivery will be arranged.
