Looking for a signer

As the year is coming to an end it's also time to plan for next year.

It has been many years since St. Paul's has offered a signing ministry for the deaf. It has come up in Council On Ministries before and I believe it's time to pursue this ministry in earnest. This process will be multifaceted and will take some time to build up.

Briefly, the concept would be to:

- Have a person to sign at one service every week. Which service to be determined but it would be the same service every week.
- Enlist many people so that Sundays could be rotated rather than one person doing every week
- Develop an ongoing ministry for the deaf that would include small group studies, ASL training and outreach to our community when signing services may be needed.

The first step is to reach out to you, our congregation for some information. Please email me at billbeaver101@gmail.com with your replies to the following questions.

1. Are you currently trained in American Sign Language or ASL?
2. Do you know anyone who is trained in ASL who would be interested in participating
3. Would you be interested in being trained in ASL?

Please be in prayer for this ministry and consider participating by personal participation or reaching out to someone you know with these skills.

Thank you,
Bill Beaver
