Exciting Pantry News!!!!

St. Paul's Food Pantry is now open to the public!

UNFORTUNATELY, hunger is very real in Ocean County. Every day, 1 in 10 of our neighbors do not have enough to eat. Hunger knows no age barrier. Young families face budget gaps as much as our senior communities deal with financial emergencies. Almost 5 million people over age 60 experience food insecurity. They face a number of unique medical and mobility challenges that put them at a greater risk of “skipping” meals. With the high cost of maintenance drugs, many people are forced to choose between paying for groceries and buying medicine—a difficult choice with potentially severe health implications.

No one should ever go hungry...

FORTUNATELY, our food pantry is now available to everyone. Because of the support of our congregation we are now focusing on opening our doors to anyone with food needs. The generosity of St. Paul's parishioners will enable the pantry to feed more of our neighbors with food insecurities; many of whom are going through a one-time crisis of divorce, a job layoff or simply have certain months when obligations can't be met. The food pantry is here to help anyone that would benefit, be it one time or once a month. Perhaps, you know of a neighbor that may need groceries, but reluctant to ask for help. Together, with God's guidance, we can help them. We will be open to the public on the first Wednesday and the first Thursday of every month, from 3:30 pm until 5:30 pm.

Information will always be given confidentially by calling Susan at 732-903-4242
